*The availability and effectiveness of any of the named programs depend on each agent's individual circumstances. Many features, including applicable state law and regulation, may cause individual results to differ from those of this hypothetical PIA member, and these results are not necessarily indicative of future commission earnings. Results will vary by agent, location, regional market variations, and other factors. This example is for informational, illustrative, and educational purposes only. Members or prospective members should not assume their commissions will equal or exceed those in the example shown above. The specific products listed in the example may not be available to all PIA members and do not represent all PIA products. The market for and availability of each product may vary among and even within states.
